CRITERION VII INSTITUTIONAL VALUES AND BEST PRACTICES

7.1.9 – HUMAN VALUES AND PROFESSIONAL ETHICS CONSOLIDATED REPORT (2020 – 2021)

The Constitution of India has placed 'education' as the fundamental right of every citizen of the nation. Higher education, the pillar of career and leadership building, plays a vital role in the social and economic development. Great role and responsibility is entrusted to the Higher Education Institutions in building strong leadership and well-knit society through excellence in academics, ethical curricula and community engagement. The purpose of education in general and higher education in particular is to facilitate actualization of human potential by making its stakeholders, particularly higher educational administrators, teachers, and learners, conscious of human values and professional ethics. Therefore, the Institutions are required to create high quality practices and an environment that is supported with values and ethics to ensure their dignity and integrity.

Human values and professional ethics are complementary to each other. Whereas human values convey personal conviction, ethics describe the accepted principles and standards of conduct about moral duties and virtues as applied to an organization. The success of an institution's mission and vision is driven by value-based ethical behaviour of its committed faculty members, officers, staff and students.

The Ideal Institute of Management and Technology, Delhi is committed to impart value based, quality education coupled with holistic development of its members and students. The Institute along with its Legal Aid Cell constituted under the School of Law understands the relevance of educating the youth about the intrinsic problems faced by the Senior Citizens, Women, Children

and other sections of the nation. In pursuance of the understanding, we have been working individually as well as in association with District Legal Services Authority (DLSA) for conducting/organizing sensitization programmes to inculcate human values and professional ethics amongst its members and students.

Rakesh Aggarwal Memorial National Debate Competition is organized annually by School of Law, IIMT to venerate the birthday of the founding father Late Sh. Rakesh Aggarwal on **22nd September**. The Ministry of Social Justice and Empowerment, Government of India alongwith NGO-Anugraha launched an extensive Awareness Generation and Sensitisation Campaign on issues of ageing. The Institute in collaboration with NGO-Anugraha and New Delhi District Legal Services Authority took a leap in that direction and celebrated **'Elder's Month'** by organizing an Online Seminar on **23rd October, 2020** via 'CISCO WebEx Application Software'. The Panel for the event comprised of Mr. Alok Agarwal, Former Member-Secretary, NALSA; Dr. Aabha Chaudhary Chairperson, Anugraha; Mr. Chandanjit Singh, Secretary, DLSA and Dr. Arun Gupta, Vice-Principal, School of Law, IIMT. To mark the relevance of the Constitution Day (26th November), the Institute in association with DLSA (Shahdara) organized a Seminar virtually on **28th November, 2020** on the topic **'Preamble - The Soul of Indian Constitution'**. Dr. Rabindra Kumar Pathak, National University of Study and Research in Law, Ranchi, India and Ms. Vidhi Gupta Anand, Secretary, DLSA (Shahdara) were the resource persons for the session. The Speakers explained in detail the Preamble's relation to the Constitution of India. Various landmark judgments of the Apex Court

were discussed during the session which assisted in better understanding of the varied dimensions and arena of the same.

In pursuance of the directions by Ld. Principal District and Sessions Judge/ Chairman (DLSA/ East), the School of Law of the Ideal Institute of Management and Technology in association with DLSA (East) organised an Online Seminar on **25th March, 2021** via 'CISCO WebEx Meeting Application Software' on the topic '**Provisions under the POCSO Act and the Services being provided by DLSA**' via 'CISCO WebEx Meeting Application Software'. The resource person for the programme, Ms. Harshita Mishra, Secretary, DLSA (East), initiated the session by explaining the main provisions of the Act to the audience and then furthered the session by detailing the various initiatives taken by the Authority in this regard.

The programmes grew a sense of responsibility in the students and volunteers towards the nation. The same is clearly depicted by the rate of participation in the Community Outreach and other assistance programmes during the time of crisis.
