**RE: Co-op Work Permit for mandatory component of
Global Business Management (20841)**

This letter confirms that a Co-op /Work Placement/Internship is a mandatory requirement of the **Global Business Management** program at Humber College Institute of Technology & Advanced Learning in Toronto, Canada. This letter is to be used as supporting documentation to apply for a Canadian **Co-op Work Permit**.

This work component requires the completion of a minimum of 320-hours in the fourth semester. Successful participation of the internship is a requirement for graduation.

Prior to beginning any type of co-op/placement/internship, all students must receive a co-op work permit in addition to their study permit. Because some jobs in Canada require a medical exam, you may need to complete a medical exam with a panel physician before applying for a co-op work permit and study permit. Please consult this list of jobs to see if your program and co-op/placement/internship will require a medical exam.

If you have any questions or concerns, please feel free to contact us.

Yours sincerely,

Kim Smith
