## ABOUT THE INSTITUTE

Ideal Institute of Management and Technology, affiliated to Guru Gobind Singh Indraprastha University, was set up in the year 1999, under the aegis of New Millennium Education Society. Since its inception, the Institute has acquired a commendable position as a premier educational institution imparting education in the fields of Management and Law. The Institute conducts LLM, BA LLB, BBA and BCA programmes of GGSIP University, Delhi. The Institute is dedicated to imparting quality education to its students and making them empowered to face the challenges of the real world after their graduation. The Institute also focuses on its role as a contributor to research and encourages its faculty members to write quality research papers in the areas of their interest.

## ABOUT THE RESEARCH & DEVELOPMENT CELL

The Research & Development Cell at our campus plays an integral part in nurturing the values of the institute aligned with its vision of providing quality education and contributing as academicians through our research related to the contemporary issues and challenges. It works to promote a dynamic research culture in the campus and encourages students and faculty members to undertake research problems in the newly emerging fields. It also provides a framework that enables reassessment and refinement of current practices in the world of academia and industry. With the aim of providing a common platform for industry, researchers and academicians to deliberate upon innovative business practices being followed, we are proud to organize the International Conference on ***“Swarnim Bharat @2047: Unlocking Opportunities in Leadership, Innovation & Technology for Progressive Future”***.

## ABOUT THE CONFERENCE

The 10th International Conference on “Swarnim Bharat @2047: Unlocking Opportunities in Leadership, Innovation and Technology for a Progressive Future” is a premier international academic and professional forum that brings together academicians, researchers, industry leaders, innovators, and practitioners to deliberate on India's transformative journey towards becoming a developed nation by the centenary of its independence. Aligned with the national vision of “Viksit Bharat @2047”, the conference provides a platform to examine how leadership excellence, scientific progress, and technological advancement can drive inclusive and sustainable growth. The conference highlights integration of Indian Knowledge System with modern governance, markets, and society by drawing upon indigenous knowledge, cultural wisdom, AYUSH, Yoga, Ayurveda, and India's ancient contributions to science, ethics, and holistic well-being. The conference also addresses contemporary global challenges such as geopolitics, peace building, business resilience. By fostering interdisciplinary dialogue and collaboration, the conference enables participants to exchange ideas, share research findings, and build meaningful academic and professional networks. Through these engagements, the conference aims to generate valuable policy insights, encourage innovation-led growth, and contribute to the realization of a progressive, inclusive, and globally competitive India by 2047.

## MAIN OBJECTIVES OF THE CONFERENCE

1. To facilitate interdisciplinary dialogue on “*Viksit Bharat @2047*”, focusing on leadership, innovation, science, and technology for sustainable national development.
2. To promote research and innovation in emerging technologies, digital transformation, governance, FinTech, EdTech, and environmental sustainability.
3. To encourage inclusive growth through discussions on women-led development, youth reskilling, financial inclusion, social empowerment, and global cooperation.
4. To integrate Indian Knowledge System with modern practices while fostering academic collaboration, policy insights, and innovation-led growth.
